

INVESTMENT PORTFOLIOS

The Community Foundation of Greater Des Moines offers a variety of investment options designed to meet a range of philanthropic goals and time horizons. Each of our investment portfolios is carefully constructed and diversified across global investment opportunities to maximize return and minimize volatility. Our size provides access to world-class investment managers and alternative investment strategies only available to large institutional investors. Investments are monitored regularly by the Community Foundation’s experienced Investment Committee, investment consultant and staff. As a fund holder, you may allocate to one or more of the investment portfolios, and you may change the investment allocation once per year or upon a significant change in charitable goals or time horizon for utilizing the fund. The Community Foundation will maintain your fund’s investment allocation through ongoing rebalancing. All information is as of June 30, 2023.
