COMMUNITY FOUNDATION GRANTMAKING PRIORITIES 2025

Investments from the Leadership Grant program (made possible by the Better Together Fund) are rooted in community plan alignment, and prioritize and foster inclusive engagement and impact to improve quality of life for all in our community. The purpose of the Leadership Grant Program is to **catalyze and challenge Greater Des Moines to impact systems change** and **significantly influence community outcomes and opportunities** by:

Expanding Access to Housing and Transportation

- Enhance accessibility to effective transportation and mobility solutions
- Increase the availability of affordable and safe housing

Advancing Community Health and Resilience

- Expand access to physical and mental health resources
- Reduce food insecurity
- Reduce homelessness
- Empower individuals and families to build stronger, more sustainable financial realities

Fostering Inclusive Economic and Workforce Development

- Address systemic barriers to economic growth
- Remove barriers to career progression by upskilling and reskilling
- Prepare youth for careers through education, career pathways and employment opportunities
- Increase access to affordable, quality childcare, preschool and early childhood education

Cultivating a Thriving and Inclusive Community

- Leverage arts and culture to advance community priorities
- Bolster an inclusive community identity
- Foster community development that supports a thriving region

Investments from the Leadership Grant program will drive outcomes and opportunities reflected in these community plans:
