

# Endowed Designated Funds

While fees collected for funds held at the Community Foundation support the processing of grant checks, accepting and acknowledging donations, completing annual audits and financial reporting; our fees also make you part of the change we enable in the communities we serve. It's the community convenings, strategic grantmaking, donor connections, facilitated dialogues, nonprofit trainings and promotion of charitable giving that ultimately transform the communities we call home. We're simply better together.

## Additional Fee Information

**To maximize your giving strategy**, your charitable funds may be consolidated for fee calculation purposes once assets collectively reach \$5 million.

**Additional fees** may be assessed for non-standard services such as complex gift acceptance, special grant processing and review, legal review, processing large numbers of transactions and other non-standard services.

**Please note** this administrative fee schedule does not address investment fees. Investment fees will vary based upon the investment selection.
